CLUB, SOCIETY AND VILLAGE REPORTS

GREAT MONGEHAM SOCIETY

Rod Legear gave an interesting talk on Underground Kent, from Chislehurst via Eastry to Dover Castle and Augustin Pugh's residence. The talk included dene holes near brickfields, Ash and the radar station in service during the cold war. The next meeting is on June 19th, a bat and trap evening at the chairman's house (Ripple View in Ellens Road). Donations of prizes for the hoopla stall at the village fete will be gratefully received. (PS-B)

GREAT MONGEHAM HORTICULTURAL SOCIETY

May meeting was well attended and we were fortunate to have a very good speaker, Mr. Jim Offord from Preston Nursery near Wingham. His talk was mainly on how to prune and when and we all learnt a lot. He brought many plants and shrubs with him to demonstrate his skills and we were all surprised at how severely he pruned, but the end product really looked good. The plants he showed were all of a high quality and his nursery would be well worth a visit. I am sure we will be able to improve our pruning skills. Chairman Peter reminded members that the June meeting on the 4th would be the annual barbecue and potato weigh in. Please bring your pot, minus the greenery, with a carrier bag just in case you have a few potatoes in your pot to take home. (JEB)

SAINT MARTIN'S WI

Julia Thompson gave an interesting talk on food banks, contact 01304 728428. The next meeting is on June 12th at 7.30pm, on First Aid with Ann Welti. (PS-B)
